### A NOTE FROM APRIL WILLIAMS, COLUMBUS PARKS & RECREATION PROJECT & RESOURCE DEVELOPMENT DIRECTOR

“ When I consider the progress made in 2014, I am reminded of how passionate our donors are toward encouraging active and healthier lifestyles for our residents. Columbus prides itself on being on the cutting edge, having a diverse mix of activities that increase quality of life, are welcoming to all and promote wellness and exercise...the ice rink, the Commons, 23 parks, and 41.5 miles of People Trail Network to name just a few. It is an honor to serve this community and have the pleasure of keeping a close eye on recreational options offered across the country so to continue to always remain on that cutting edge of improving the recreational experiences for residents and visitors.

I personally want to thank the many that have allowed me to share the Park Foundation's vision of carrying on such high standards of amenities and programs and for the encouragement many have given me along the way.

The Columbus Park Foundation is so very fortunate to have an active, volunteer Board of Directors dedicated to assuring the Parks & Recreation experience here in Columbus is top notch! Come & Grow with Us is a way to express our personal invitation to be a part of the progress. Columbus has always encouraged and partnered to bring progress and that, our dear friends, will always be an open invitation.

If you haven't already, we hope you will jump on board as a Generations Club Member showing your commitment to assuring long term sustainability for our "Parks". ”

With Deepest Appreciation,

*April Williams*

### THE JAMES K. BAKER TREE FUND

*"James K. Baker loved the community of Columbus and worked hard to put things in place that made Columbus even more of a gem. It is fitting that the Baker Family joined the Columbus Park Foundation in renaming its Tree Fund in honor of*

*Jim. Not only did Jim Baker have a lifelong love of nature, but he spent countless hours during retirement at his small orchard tending his trees. It would give him much pleasure to know that his community is working to preserve the Ash trees and planting new trees in Columbus....trees everyone will enjoy for years to come and will become deeply rooted in the community he loved so much." - The Baker Family*

### HAMILTON COMMUNITY CENTER & ICE ARENA - YEAR IN REVIEW

In 2013/2014 the Hamilton Center Campaign was launched. Uniting private and public funding to restore Hamilton Center meant approximately \$2,000,000 in public funding allocated for asset preservation and energy efficiency improvements and over \$1.4 million in private funds to upgrade and enhance Hamilton to increase rental and tournament opportunities. In May of 2014 the construction began and today you see the refreshed and long awaited, beautiful Hamilton Center.

In 2015 the Park Foundation will launch a Brick Program that will allow others to continue to contribute toward additional improvements to Hamilton. A donor paved patio area at Hamilton's front entrance will be created for visitors to enjoy.

A community event hosted by the Parks Foundation to celebrate the completion of projects and thank investors will take place on May 7, 2015. Please mark your calendars to join us!

## RACE2PLAY - YEAR IN REVIEW

Active, vital parks reflect thriving, healthy communities, drawing together the assets and aspirations of neighborhoods. Programming, therefore, becomes a crucial tool in helping to rebuild communities from the inside out, with a primary focus on those neighborhoods that are under-served.

In 2014, many gathered together for the Race2Play reunion celebration in three of our under-served neighborhood parks ( 9th Street, Pence Street and Morningside). The Columbus Park Foundation

and Columbus Parks & Recreation teamed up with Lincoln Central Neighborhood Family Center, Eastside Community Center, Foundation for Youth, kidscommons, and invested partners to expand programs in the parks. New activities included the Come Out & Grow Gardens, built and funded by Cummins and Hackman Farms and Friday Night Flicks, an addition to free summer fun funded by private contributions allowing the purchase of a large movie screen, speakers, costs associated with playing public movies, refreshments and drawings for family prizes. Through a partnership with Columbus Meridian Kiwanis, the Race2Bicycle Safety Project in the parks, provided free, properly fit helmets, and safety instruction for bicycle riding. Families were very appreciative of these encouraging family nights in their parks. Parks & Recreation's long-standing, free, summer Come Out & Play Playground Program was able to expand on activities with private funds to underwrite art supplies and additional exercise gear for the Stay Fit Challenge for kids.

## PEOPLE TRAILS - YEAR IN REVIEW

In November of 2014 we celebrated the opening of our newest expansion piece to the People Trail Network ~ Phase 1 of the Downtown Trail. This section continues the existing Haw Creek Trail on Central Avenue, under the State Street bridge west to Lafayette Avenue. A special dedication plaque honoring Chuck Wilt became the first piece of public art installed on the People Trails.

### ADOPT A TRAIL

The Park Foundation continued its partnership with AmeriCorps by employing a Volunteer Coordinator. Continued concentration on our Adopt a Trail Program assists Parks & Recreation in reducing maintenance costs associated with trail and park clean-up.

- In 2014, nine sections of the trail were "adopted" for two year commitments and 139 volunteers spent over 750 hours cleaning the trails, saving Columbus Parks & Recreation almost \$14,125 in clean-up costs. Cummins Groups contributed another \$2,000 to plant trees & flowers on segments of the trails, and provided an additional \$15,000 grant to plant trees and place benches on the newest Downtown Trail section.
- Two sections of the trail are still available due to the requirement of more than a four time per year clean-up. Instead these two sections (Jonathan Moore Pike & Clifty Park) have been cleaned by 8 separate groups, saving an average of \$1,500 per clean-up, or \$12,000.

## CHUCK WILT YOUTH SCHOLARSHIPS - YEAR IN REVIEW

Contributions to the Chuck Wilt Youth Scholarship Program assure children the opportunity to have the great Parks & Recreation experience. Donations underwrite the cost of Parks & Recreation Programs for children who have financial barriers.

## Visit The Commons!

### Miller-Tangeman Lobby Featuring Chaos

Chaos I is a 7-ton, kinetic sculpture by Swiss artist Jean Tinguely (1925-1991).

The 30-foot high piece is the largest work by Tinguely in the United States. Columbus, Indiana, a city known for both its great architectural designs and its world-class manufacturing operations, is proud to be home to a sculpture that successfully marries art and engineering.

Chaos I cycles through a series of motions to simulate a day in a life, beginning slowly at first, adding movements and then winding down again. At the peak of its chaotic movements, steel balls roll and crash through a caged track, catching the attention of all ages.

## The People Trail Project

"A People Powered Transportation Network"

## Types of Paths:

### Multi-use paths

Multi-use paths are intended to provide uninterrupted or minimally interrupted movement over distances of a mile or more for a variety of purposes and users, such as cyclists, joggers and pedestrians.

### Sidepaths

A sidepath is an extra-wide sidewalk along one side of a street within the street right-of-way. Sidepaths are designed to carry both pedestrian and bicycle traffic. Sidepaths have an advantage over bicycle lanes by having a curb separating the vehicle and bicycle traffic.

### Sidewalks

Sidewalks are intended to be located in the street rights-of-way to connect pedestrians to their homes and destinations. The distance traveled by a pedestrian on a local sidewalk is expected to be less than one mile.

### Connectors

Connectors provide pedestrian access from cul-de-sac streets and other subdivision streets to nearby sidewalks, multi-use paths, and other bicycle and pedestrian facilities. They also provide access to key destinations, such as schools and parks.

### Bicycle routes

Bicycle routes are streets that have been designated and marked with signage as bicycle routes. Local streets are particularly well suited for bicycle routes.

### Bicycle lanes

Bicycle lanes are designated areas of the street which are reserved for the exclusive use by cyclists. They are typically established with pavement markings and signs along routes.

### Crosswalks

Intersection and crossing measures that have been or are being used in Columbus include marked crosswalks, pedestrian crossing warning signs, curb extensions, flashing beacons, school crossing guards and countdown timers and pedestrian signals.

### Sharrows

Shared lane markings or "Sharrows" are street markings placed on city streets to inform bicyclists and motorists where a travel lane is shared by both.

### Trail heads

Trail heads are most appropriately located at places where people change modes of transportation - exiting their vehicles to begin a walk, jog or bicycle ride. Trail heads should provide access to the People trails and act as identification markers.

Join us for this left handed salute to American history that would give Martha Washington a migraine. During the anachronistic tour de farce back through time, Thurston Osgood, host of the interview program, "Meet the Patriots," brings you face to face with the people who made our country what it is today. Ben Franklin flies his kite on stage, George Washington sports his famous wooden smile, and Betsy Ross puts the first flag together before the wondering eyes of the audience.

### Friday, March 4

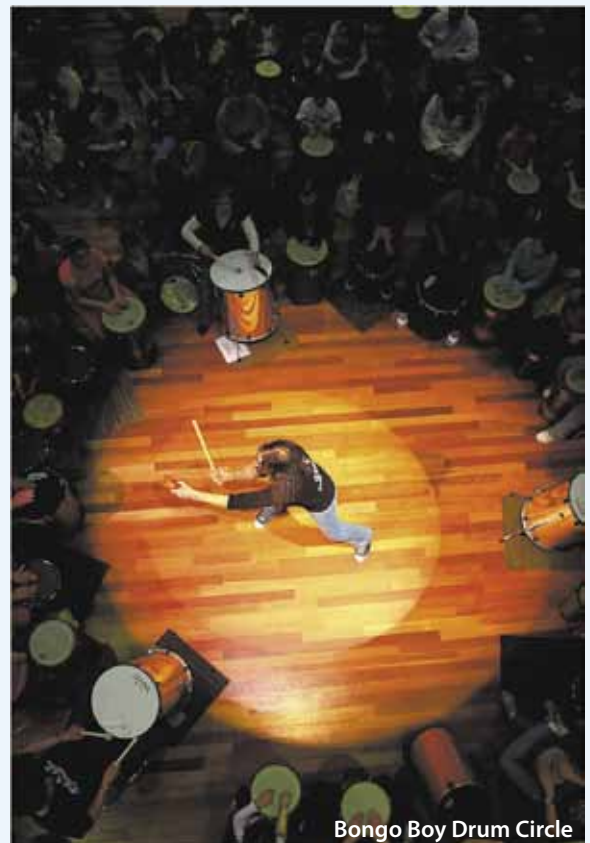

**HENNY PENNY - ARTREACH** Division of the Children's Theatre of Cincinnati production based on the original folktale. Henny Penny is a hen enjoying a day gathering acorns. When one hits her on the head she is convinced that the sky is falling and feels it is her duty to tell the king. Along the way she asks her friends to join her on her heroic quest. When almost to the palace, this gang of do-gooders meets the sly Foxy Loxy. The cunning of Foxy Loxy and Henny Penny's can-do attitude make this a delightful adventure with a strong message of self confidence, teamwork, and friendship.

### Friday, April 1

**THE JUNGLE BOOK - DANCERS STUDIO, INC** Enjoy Dancers Studio's production of Rudyard Kipling's The Jungle Book. This classic story is a thrilling, adventure-filled journey with the boy Mowgli as he makes his way to the village with Bagheera, the wise panther. Along the way he meets jazzy King Louie, the hypnotic snake Kaa and the lovable happy-go lucky bear Baloo who teaches Mowgli "The Bare Necessities" of life and the true meaning of friendship.
